LETTER FROM THE SECRETARY GENERAL

Dear Esteemed Delegates,

My name is Supriya Sharma, and I am thrilled to be the Secretary-General for the 27th iteration of UC Berkeley's premier collegiate Model United Nations Conference (UCBMUN XXVII). On behalf of all my Secretariat and Staff, I am excited to invite you all to San Francisco once again, where our conference will be held at the Intercontinental San Francisco, to debate, create policy, and meet other delegates from across the globe.

Located in Union Square, our conference will aim to channel San Francisco's tenant of progress above all. Whether you are working towards building your drug trade and avoiding the attention of Federal agents in our Breaking Bad Committee, debating the fate of RuPaul's Drag Race, or discussing Ireland's status in the EEC in Irish Parliament, our committees will challenge and dare delegates to think beyond the basics. While you are here, we hope you also take the time to explore the city, more than even just a few blocks surrounding the hotel. We are thrilled to be hosting our conference this year at the Intercontinental San Francisco, a hotel in Union Square, an area with so much to offer to its visitors. At UCBMUN, however, we would like to stress that the support and well-being of our delegates is our top concern; if you ever have any issues, please do not hesitate to flag down any of our staffers.

Once again, it is my absolute honor to invite you to our conference in the city that birthed the historic UN charter and by the university home to the Free Speech Movement. Join us from March 2nd, 2023, to March 5th, 2023, for an iconic UCBMUN.

Best Regards,

Currently, he hosts a podcast with various opinion-makers and thought leaders, is the chairperson and founder of the Ancora Group, and is a Visiting Scholar at Stanford University.

UCBMUN XVVII SPEAKER

GITA WIRJAWAN

Mr. Gita Wirjawan is an Indonesian entrepreneur, investment banker, and philanthropist. He is also the Chairman of ANCORA Group, an Indonesian business group with interests in private equity investing, natural resources, real estate, and sports which he founded in 2008. As a businessman, Mr. Wirjawan has held key positions, including the Vice President of Citibank Indonesia in 1997, the Vice President of the Investment Banking Division of Goldman Sachs, Singapore, in 2000, and the Senior Country Officer and President Director of JP Morgan Indonesia in 2004-2008. President Susilo Bambang Yudhoyono appointed Mr. Wirjawan as Chairman of Indonesia's Investment Coordinating Board (BPKM) in 2009. Afterwards, Mr. Wirjawan became the Minister of Trade of Indonesia in 2011. One of his biggest accomplishments in this role was Chairman of the Ninth World Trade Organization Ministerial Conference held in Bali in December 2012. He chaired 159 WTO member countries in consenting to a set of policies to ease international trade barriers. In October 2014, President Susilo Bambang Yudhoyono awarded him Bintang Mahaputra Adipradana in recognition of his extraordinary contribution as a cabinet member to his respective field, benefitting the country and the nation.

As a philanthropist, Mr. Wirjawan established Ancora Foundation with the mission of promoting quality education ranging from early stage to graduate studies, as well as emerging issues relating to sustainable development goals. Ancora Foundation has enabled the training of teachers at close to 500 kindergartens serving underprivileged children throughout Indonesia. Mr. Wirjawan has also endowed scholarships for Indonesians to attend the world's top universities, including Harvard University, University of Oxford, University of Cambridge, and Stanford University. The foundation is also actively advocating the adoption of a more circular and sustainable economy in Indonesia through education. Mr. Wirjawan is also a member of the International Advisory Board of Chubb, the Indonesia Advisory Board of Singapore Management University, the International Council of Yale School of Management, and the Advisory Board of the School of Government and Public Policy (SGPP) – Indonesia. Previously, Mr. Wirjawan also served on the Dean's Leadership Council at the Harvard Kennedy School. A huge believer in soft power, Mr. Wirjawan's passions for sports, music, and arts led to some of the nation's historic achievements. He was the Chairman of the Indonesia Badminton Association between 2012-2016, during which period Indonesia won 3 gold medals at the World Championships, 4 titles at the All England Championships, and 1 gold medal at the 2012 Summer Olympics in Rio de Janeiro.

Currently, Mr. Wirjawan is also the host of Endgame with Gita Wirjawan, a Podcast by the School of Government and Public Policy (SGPP) – Indonesia, co-produced by Visinema Pictures, that can be listened to whenever the podcast is available or viewed on YouTube. Through Endgame, he is on a mission to find the best narrators to help tell the story of Indonesia's bright future. At the moment,

Mr. Wirjawan is a Visiting Scholar at the Walter H. Shorenstein Asia-Pacific Research Center (Shorenstein APARC), Stanford University (2022 – 2023)

Mr. Wirjawan holds a B.Sc from the University of Texas at Austin, an MBA from Baylor University, and an MPA from the Harvard Kennedy School. He has an honorary doctorate in business administration from Naresuan University, Thailand.

CONFERENCE CHARITY

SAMS

SYRIAN AMERICAN MEDICAL SOCIETY FOUNDATION

The Syrian-American (SAMS) Medical Society Foundation is a global medical relief organization that is working on the front lines of crisis relief in Syria, in neighboring countries, and beyond to save lives and alleviate suffering. SAMS proudly provides medical care and treatment to every patient in need.

Donations can be sent to @ucbmun_club through Venmo. All donations will be sent to SAMS.

On February 6th, 2023, a powerful 7.8 magnitude earthquake struck southern Turkey near the Syrian border. A second 7.5-magnitude earthquake hit hours later, with multiple shocks following thereafter. The earthquakes are the worst natural disaster to hit the region in nearly a century and it is turning into one of the worst humanitarian crises in recent years, creating needs on an unprecedented scale.

SAMS healthcare workers have provided emergency care for more than 3,000 earthquake victims. SAMS-supported hospitals and medical facilities are overwhelmed with patients filling the hallways, creating an immediate need for trauma supplies. SAMS supports at least 36 medical facilities in the affected region of northwest Syria as well as a regional office in Gaziantep, Turkey, near the epicenter of the first quake. At least 4 of SAMS' medical facilities have been damaged of which 3 are so severely damaged that they have been put out of service.

COVID-19 POLICY

- 1. All delegates will be required to show proof of a negative COVID-19 test taken within 72 hours of the start of conference.** We have a strong preference for PCR testing but will accept antigen tests as well. Tests must be taken 2/28-3/2 but we encourage delegates to budget at least 1 or 2 days to receive results.
- 2. Delegates Experiencing Symptoms of COVID-19**
 - a. Anyone displaying symptoms of COVID-19 will be asked to isolate and leave the conference, regardless of vaccination status.
 - b. Symptoms of COVID-19 include but are not limited to fever, loss of smell or taste, shortness of breath, sore or scratchy throat, headache, persistent cough, congestion, runny or stuffy nose, fatigue, and nausea.
 - c. Delegates who are experiencing symptoms are required to purchase and take two rapid COVID-19 tests. If the test is negative, delegates can return to committee session provided their symptoms do not get worse and they do not have a fever. Delegates will also be asked to notify the rest of their delegation and their chairs of these symptoms.
- 3. Protocol for Delegates Who Test Positive While At Conference**
 - a. Delegates who test positive for COVID must email chiefofstaff@ucbmun.org with their name, email, school, committee allocation, hotel room number (if applicable), head delegate or faculty advisor contact information, and roommate contact information.
 - b. After a positive test result, a delegate must isolate in their room and will be barred from attending UCBMUN events.
 - c. Roommates of a delegate who tests positive, as well as members in the committee, must also purchase rapid tests. If they too test positive, they will also be asked to isolate. If they are negative and asymptomatic, they can return to committee session but must secure separate accommodations and will be asked to continually monitor symptoms.
4. Failure for a delegate who tests positive to follow the appropriate protocol will result in that delegation being disqualified from any and all awards.
